CHARITY MANAGEMENT SUPPORT

Some organisations benefit from additional capacity and expertise to support their overall management - particularly during periods of growth, change or challenge. Good Fundraising offers flexible charity management support focused on strengthening systems, leadership and organisational resilience.

EXPERIENCED, HANDS-ON MANAGEMENT

Good Fundraising has over 10 years' experience managing all aspects of charity administration for **Barnsley Museums and Heritage Trust**, providing continuity, stability and trusted support. Our work has included governance and trustee recruitment, accounts administration, marketing and communications, comprehensive fundraising management, and stewardship of donors.

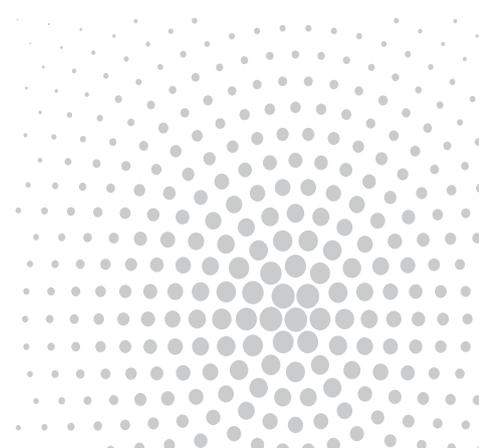

Alongside making applications to trusts and foundations, we ensure all monitoring and reporting requirements are met, helping organisations remain compliant, accountable and funder-ready.

FUNDRAISING SCHEME MANAGEMENT

We can also manage a range of fundraising schemes on behalf of charities, including:

- Regular giving programmes
- Fundraising campaigns
- One-off donations
- Legacy fundraising

Our approach is detail-focused and organised, with strong systems and record keeping to support compliance and smooth day-to-day operations..

STRENGTHENING THE ORGANISATION

Charity management support can include:

- Reviewing and improving internal processes
- Aligning fundraising activity with organisational priorities
- Supporting leadership teams and trustees
- Advising on sustainability and future planning

Support can be tailored to your organisation's needs, whether you require interim capacity, ongoing support or help through a specific transition.

WHY GOOD FUNDRAISING?

- ✓ Trusted, long-term charity management experience
- ✓ Reliable, detail-driven approach
- ✓ Flexible support that adapts to your organisation
