SCRUFFS 'N' BEX

HEAD OF WELLBEING & RESILIENCE

Fundraising can be tough, and building resilience is essential to navigating the ups and downs.

At Good Fundraising, Scruff and Bex, our faithful (and very cute) office dogs take the lead on wellbeing and resilience.

They make sure we take regular breaks to play fetch and insist on fresh air with daily walks, whatever the weather.

Their support helps keep our team energised, focused and ready to do our best work.
